Award-winning pies, home-style since day one.

Wholesale product catalogue — pies, savouries and sweets,
baked the traditional way and delivered fresh across Australia.

2026 EDITION

OUR STORY

From a Perth family bakery to a national name

From humble beginnings as a family-run bakery in Perth, we built an industry-leading brand with a stellar reputation for mouth-watering baked delicacies made the traditional way.

In 2010, we refocused on pies, savoury pastries and sweets as Baked Provisions, reflecting our expanding range. It's been an award-winning journey ever since — today we're stocked across NSW, VIC, ACT, QLD, SA and WA, with more growth ahead.

BAKED FRESH, EVERY WEEK

Our Quality Promise

Every product is made using traditional home-style methods and only the best, freshest ingredients — never a shortcut, never a compromise.

Our Service Promise

Delivered on a reliable, scheduled weekly service across NSW, VIC, WA, QLD, ACT and SA, with temperature-controlled handling every step of the way.

Australian Made & Owned

Proudly Australian made and owned, baked in our own facilities in Prestons NSW and Wangara WA.

From one Perth kitchen to bakeries in NSW and WA, shelves in six states and a cabinet full of medals — the recipe hasn't changed, only the scale.
